

*Anything Goes!*, an exhibit of member art at Art League Gallery, celebrates the depth and breadth of artwork created by Art League exhibiting members. Truly anything goes at this exhibit: any media, size, shape, form or subject. From 2D media such as painting and photography to 3D art including sculpture, ceramics and jewelry, all artworks will be on display and for sale.

“There weren’t many opportunities for our members to exhibit their work last year due to the pandemic,” says

Working on the second half of the project, I made a necklace with fish-shaped pendants. I used a silver-toned chain and a clasp. I added a large, textured, silver-toned fish-shaped pendant on the left, followed by a smaller, silver-toned fish-shaped pendant, and then a series of four smaller, dark-colored fish-shaped pendants. I used a silver-toned chain and a clasp.
